Category 7 certified pest control technicians servicing or intending to service schools

When and Where?

February 15, 2016
Chilhowee Intermediate School
5005 Asheville Highway
Knoxville, TN 37914

Enrollment limited to 25

School IPM Technician Training
February 15, 2016
Chilhowee Intermediate School

Presenters:

Karen Vail, kvail@utk.edu

Professor and Extension Urban Entomologist

Pat Barnwell, pbarnwel@vols.utk.edu

Extension Program Assistant III

Entomology and Plant Pathology Department

University of Tennessee

Knoxville, TN 37996-4560

Provided by UT E&PP, Tennessee Dept. of Ag and Region IV US Environmental Protection Agency

Agenda

- 9:00 – 10:00 What is school IPM and how to implement a program (logbook) (Vail)
10:00 – 11:30 The top 6 pests in schools (cockroaches, rodents, ants, head lice, spiders and wasps) and their management (Barnwell)
11:30 – 12:30 Lunch on your own
12:30 – 1:00 Pest conducive conditions and placing monitors (hands-on activity) (Vail)
1:00 – 3:30 Inspection of the premises (interior and exterior, 500 potential points) (Barnwell & Vail)
3:30 – 4:00 Discussion of inspection findings and recording results in the logbook (Vail & Barnwell)
4:00 – 5:00 Exam. Passing grade of 70% results in certificate of training; names and company posted to our website

Registration. Submit by Wednesday February 10 to Pat Barnwell, pbarnwel@vols.utk.edu. The first 25 registrations received for technicians servicing schools will be eligible to attend. Others will be referred to future trainings in other Tennessee locations.
